

Grajales Expeditions is a Global Rescue Safe Travel Partner.

Grajales Expeditions is committed to excellence in every aspect of your trip experience, especially when it comes to safety.

That's why we are a Global Rescue Safe Travel Partner.

Global Rescue is an industry leader, providing medical and security advisory and evacuation services to travelers around the world. Global Rescue offers field rescue from the point of your injury or illness. With operations centers staffed 24/7/365 by experienced personnel.

An evacuation insurance is mandatory to obtain the Aconcagua climbing permit.

Purchase a Global Rescue membership for your next adventure and travel with peace of mind. Single trip, annual and family options are available – just ask us to learn more, or click the link below to buy:
